February 20<sup>th</sup> 2013

To,

**The SmallWorld Team:**

Thank you very much for your interest in Aangan's programs and your generous support. Your contribution will go a long way in helping Aangan continue its work to protect and safeguard India's most vulnerable children.

The Abu Dhabi SmallWorld Team's donation of AED 32,160 (INR 4,69,389) received in February 2013 will support 228 girls as part of Aangan's Shakti Program. Shakti works with adolescent girls in disadvantaged communities across urban India in five of India's most underdeveloped states, including Madhya Pradesh, Uttar Pradesh, Odisha and Bihar.

Shakti connects the otherwise isolated girl into a peer network- where together the Shakti group devises strategies to address challenges, atrocities and exploitation that girls struggle with every day. Each girl is supported to realize her potential, enabling the group to access rights, services and opportunities they deserve, such as running water, safety, healthcare and education.

We will keep you updated on our progress regularly.

Thank you once again for your support.

Sincerely,

Shailja Mehta
